This conformity certificate remains the property of Attestic Certification. View certificate and its status in the Attestic Directory of Certified Products. Attestic Certification is a registered trade name of Attestic B.V., a private limited company registered at The Chamber of Commerce in The Netherlands, number 95187499.

On the request of AMP Holding B.V. (AMP), the full annual certification audit was performed by Attestic Certification.

The audit covered the audit criteria listed below (see “Audit Information”). AMP has determined the requirements which were applicable for this audit in its Overview of Applicability, dated 6 March 2026. AMP has asserted compliance to all applicable requirements in its Statement of Applicability, dated 15 December 2025. This assertion was independently reviewed by Attestic Certification.

AUDIT CONCLUSION

The result of the certification audit is that we conclude, based on the objective evidence collected during the certification audit for the period from 1 February 2025 through 31 January 2026, the areas assessed were generally found to be effective.

AMP Personal Identification via the app, supports the ETSI TS 119461 v2.1.1 use cases for:

- Unattended remote identity proofing (9.2.3):
 - “Use case for Automated Operation” (9.2.3.4)

The identification method provides a degree of reliability equivalent to physical presence”, in accordance with eIDAS regulation (EU) 910/2014 (eIDAS) article 24, paragraph 1a, sub c.

AMP Personal Identification on location, supports the ETSI TS 119461 v2.1.1 use cases for:

- Using an identity document with physical presence of the applicant (9.2.1):
 - “Use case for manual operation” (9.2.1.2) and
 - “Use case for hybrid manual and automated operation” (9.2.1.3)

SCOPE: COMPONENT SERVICES

The scope of the audit comprised the following Trust Service Provider component services, performed partly by subcontractors under the responsibility of AMP:
