AUDIT CONCLUSION

The result of the certification audit is that we conclude, based on the objective evidence collected during the certification audit for the period from 1 June 2025 through 31 May 2026, the areas assessed were generally found to be effective.

STATEMENT ON THE ISSUANCE OF S/MIME CERTIFICATES:

Issuing CAs in scope of certification are technically capable of issuing S/MIME certificates. On the request of KPN, we performed audit procedures to confirm that ETSI TS 119 411-6 V1.1.1 (2023-08) is not applicable. This is because from the CAs in scope of certification:

- We have not observed that S/MIME certificates have been issued in the audit period
- Controls are in place to prevent the issuance of S/MIME certificates.
